

# Let's Talk Art!

Are you an artist who would like help with your art?  
Do you enjoy discussing the fundamentals of creating art?  
Then you will be most welcome to participate.

The Mendocino County Art Association hosts a monthly opportunity for you to get help, offer suggestions, and participate in a lively discussion about what makes a painting great and what does not. Jeanne Koelle and Mary Monroe are professional artists, who, if asked, are willing to share constructive comments and instructive tips for improving your art. Enjoy being immersed in the surroundings and the art of the Art Center Ukiah and the Corner Gallery.
