SINGER SONGWRITER/ RECORDING ARTIST:**MARJO WILSON:** www.marjosmusic.com

I have 11 home recorded albums of all original Americana Country Pop Rock music.

I have played live shows with a working band for the past 20 years.

Currently my live band is THE MARJO WILSON TRIO comprising of my husband Morten Jensen on Bass and good friend drummer Ross O'Brien.

I continue to write songs and record along with painting. My music is also an expression of love for this place I live...this Country Life..

the special unique energy of Covelo and the County of Mendocino that I have always called home.

MARJO WILSON TRIO: offering a more intimate sound for private parties, events and neighborhood gatherings... great atmospheric background music

or fun engaging dance groove beats too with a much more acoustic feel.
